   respecting any item of business on the agenda shall declare that fact to the meeting,
   whether or not the interest is registered under clauses [16-18] or is a matter otherwise
   known to members of the Governing Body.
8. If the President or other Chair of the meeting, or any two members of the Governing Body, considers that another member may have a material interest which has not been declared under clause [7] the matter shall immediately be referred to the decision of the Governing Body. The Governing Body shall hear the member’s views but shall make its decision in the member’s absence. The decision shall be binding on the member concerned.

9. A member of the Governing Body who declares, or is found to have, a material interest that is a pecuniary interest (an interest of a monetary or financial nature) shall normally withdraw from the meeting when the relevant business is under consideration, and shall neither speak nor vote on the matter. Exceptionally, the Governing Body may resolve, in the interests of the full and proper conduct of the business, that the member may address the meeting solely for the purpose of providing relevant information. In no circumstances shall the member vote on the matter.

10. Where a member of the Governing Body declares, or is found to have, a material interest which is not a pecuniary interest, the Governing Body may resolve that the member may remain present, and may further resolve to permit the member to speak or to vote on the matter.

11. The minutes of every Governing Body meeting shall record any material interest declared, the withdrawal of any member from the meeting, and any resolution of the Governing Body made under clauses [8-10] but not normally its reasons.

Special decisions

12. A special decision of the Governing Body, made in accordance with clause [14], shall be required when the number of members who have a material interest in a matter, or who for any other reason are not entitled to vote on it, would, if those members were to withdraw from the meeting, reduce the remaining number of members to below one-third of the total members of the Governing Body.

14. Where a special decision of the Governing Body is required, it may, having taken full regard to all the circumstances of the matter, decide that:
   (a) the nature of the conflict of interest is so pervasive that the Governing Body has no alternative but to surrender its discretion by seeking the direction of the Charity Commission, by an application in writing; or
   (b) notwithstanding the conflict of interest, the Governing Body is able fairly and reasonably to take a decision, but should, before making the decision, seek the advice of the Charity Commission by an application in writing; or
   (c) the Governing Body is able fairly and reasonably to take a decision without making any application to the Charity Commission.
Committees and other bodies

15. Clauses [1-11] shall apply, with the necessary modifications, to any meeting of the Council and to its members, and to any committee, working party or other body within the College, and their members, as they apply to the Governing Body, except insofar as the Governing Body expressly provides otherwise, either generally or for specified items of business, by decision of the Governing Body.

Register of Interests

16. The Secretary to the Governing Body shall maintain a Register of Interests of members of the Governing Body. All members shall register with the Secretary any material interests and any other information that may reasonably be required for the maintenance of the Register. The Secretary shall request the relevant information when a person first becomes a member and in a general annual circulation. Members shall notify the Secretary of any changes as they occur. The Secretary shall bring the Register to each meeting of the Governing Body.

17. The Register shall, in particular, include a person’s membership of any Faculty or Department in the University, and any office or position held in the University.

18. The Register shall record the nature of any material interest but not the quantum, if any, of that interest. In particular, a shareholding in a public company shall not be registered unless it amounts to a material interest within clause [1], and the Register shall not include the number or value of the shares.

19. The Register shall be available upon request to the Secretary of the Governing Body to all persons properly having an interest in the information it contains. Such persons shall include all Members of the College, any authorised officer of the Charity Commission, and members of the public requesting information under the Freedom of Information Act 2000 (‘FoIA’) or any subsequent applicable legislation.

20. Information on the Register shall be made available to persons making FoIA requests, to the extent required by and compatible with the legal obligations of the College. Accordingly, personal data supplied in connection with the Register shall be processed solely for the purposes of the Register, in accordance with the second data protection principle under the Data Protection Act 1998 or any subsequent applicable legislation.

21. This Ordinance shall stand as notice to all Fellows of the College that the information recorded in the Register shall be used for the sole purpose of informing such persons as have a right to inspect it.
ORDINANCE VII

Council

Constitution

1. For the purposes of Statute [I,6], and to achieve a balance of membership in categories (b) to (d) in favour of members who do not hold Offices or Posts named on the Governance List under Ordinance [A,I,10], the Council shall be composed of:
   (a) the President, serving ex officio;
   (b) the Vice-President and the Pro-Vice-President, serving ex officio;
   (c) the Senior Tutor, the Bursar and the Development Director, serving ex officio;
   (d) seven further Fellows elected by and from the members of the Governing Body, of whom at any time up to two Fellows may be persons holding an Office or Post named on the Governance List under Ordinance [A,I,10];
   (e) the President and Secretary of the MCR; provided that each Officer may nominate another Student to attend a particular meeting of the Council in his or her place.

Tenure and election

2. Elected membership of the Council shall run from 1st September, for a period of three years, unless the Governing Body specifies a shorter period in order to ensure an appropriate balance of continuity and change in the composition of the Council from year to year. At the end of his or her first period of service a Fellow may be re-elected to the Council for one further consecutive period of three years, or some shorter period as specified above. A Fellow shall not be eligible for re-election until at least two years after the end of any continuous period of service.

3. A member of the Council elected in category [1(d)] who is appointed to an Office or Post named on the Governance List may continue to serve on the Council for the remainder of the current academic year, even if more than two members of the Council thereby appear on the Governance List, but shall then stand down. He or she may, if eligible under clause [2] and Ordinance [A,VIII], be a candidate for immediate re-election.

4. Subject to clauses [2-3], Fellows shall be elected to the Council annually, in accordance with Ordinance [A,VIII].

Functions

5. In accordance with Statute [I,5], the Council shall have delegated authority to exercise those powers of the Governing Body which are not reserved to it under Statute [II,1] and Ordinance [A,I,3-6], and shall be subject to oversight by the Governing Body in accordance with Ordinances [A,I,2(a)], [A,IV,5(c)] and [A,IV,5(e)].

(b) undertake the care and management of the property and assets of the College, including investments and reserves;
(c) formulate investment policy for approval by the Governing Body;
(d) oversee income and expenditure;

(g) authorise business activity of the College;
(h) accept and manage donations to the College, including special trusts;
(i) set criteria for the award of scholarships, bursaries, prizes and other grants to Students of the College, and oversee their implementation;
(j) set criteria for the award of grants and other such benefits to other beneficiaries of the charitable purposes of the College, including, where appropriate, to the President and the Fellows; and oversee their implementation;
(k) determine fees and charges applicable to Members of the College and others.

Regulations

8. For the purposes of carrying out its delegated functions, the Council may make, amend or rescind Regulations, including financial Regulations. A Regulation shall apply to the extent
that it is consistent with the Statutes and Ordinances. Where the Council wishes to exercise this power it shall first refer the matter to the Governance Committee or the Finance Committee, or to some other competent person or persons, as appropriate, for recommendations. The Council may, exceptionally, take action in accordance with any policy so referred, prior to the approval of any Regulation.

Committees

9. The Council may appoint advisory committees for such purposes as the Council thinks fit, normally for the support of a College Officer. The terms of reference of an advisory committee shall be set out in Ordinances or Regulations.

Calendar

10. The Council shall hold at least one meeting, and normally two, during each Term and at such further times as it thinks necessary or desirable. An Extraordinary Meeting shall be held if the President, or in his or her absence the Vice-President, or four members of the Council who are Fellows, shall deem it necessary for any purpose.

Convening

11. Meetings, including Extraordinary Meetings, shall be summoned by the President who shall give at least seven calendar days’ notice to all members of the Council; provided that in circumstances which appear to the President to be urgent one calendar day’s notice shall suffice.

Conduct of business

12. The President, or in his or her absence the Vice-President or Pro-Vice-President, or in the absence of all such persons the most senior Fellow present as defined in Statute [IV,10], shall preside at any meeting of the Council. No business shall be conducted unless at least two members serving ex officio, are present and
   (a) for open business, at least half the members are present;
   (b) for reserved business, at least half the members who are not Student members are present;
   provided that, for the purpose of meeting a grave emergency, decisions may be taken with fewer members present.

13. The Secretary to the Council shall be appointed annually by the President. The Secretary may be either a member of the Governing Body or a member of the Assistant Staff. In the absence of the Secretary from any meeting, the Council shall appoint a deputy for that meeting. The provisions of Ordinance [A,V,11] shall, with the necessary substitutions, apply to the Secretary to the Council.

14. Decisions shall be taken in accordance with the views of a majority of those present and voting, unless otherwise provided in the Statutes or Ordinances.
Reporting requirements

15. Any member of the Governing Body may attend any meeting of the Council, as provided for in Ordinance [A,IV,6].

16. The Council shall submit the minutes of its meetings to the next meeting of the Governing Body or as soon as possible thereafter.

17. The Council shall receive and note all minutes of the Governing Body made since the previous meeting of the Council, and shall act upon any directions given in the minutes.
ORDINANCE VIII

Elections to Council

Vacancies

1. Fellows shall normally be elected to the Council at the meeting of the Governing Body held in the Lent Term. At each election, the number of vacancies shall be such as to ensure that seven elected Fellows in total serve for the following academic year.

Eligibility

2. Subject to clauses [3-4], any Fellow who is a member of the Governing Body is an eligible Fellow and may stand for election unless he or she is a member serving *ex officio* under Ordinance [A,VII,1].

3. If an elected Fellow attends fewer than half the meetings of the Council in any twelve-month period then, unless the cause of absence is declared sufficient by the Council, he or she shall cease to be a member from the date of the decision of the Council, and shall not be eligible for re-election until two clear years have passed. The Fellow concerned may request the Senior Independent Fellow (SIF) appointed under Ordinance [C,IV] to consider the circumstances of the absence and advise the Council whether in his or her opinion the removal of the Fellow from membership is warranted. The SIF may not overrule any decision of the Council.

4. A Fellow granted leave of absence for a period covering two or more Council meetings in the following academic year may not stand for election.

5. An eligible Fellow shall stand for election if he or she has not stood at the previous two annual elections.

6. An eligible Fellow shall stand for election if he or she is drawn by lot under clause [7].

Candidates

7. At each annual election, the Secretary of the Governing Body shall ensure that there are at least twice as many candidates as there are vacancies; if necessary he or she shall draw lots among those eligible Fellows who are not standing under clauses [2] and [5], to make up the required number of candidates. The Secretary shall keep a record of the persons standing and elected at each election.

Ballot

8. At each election, the Governing Body shall appoint two tellers for the purpose of conducting the vote.
9. Voting shall be in writing. The ballot paper shall list the names of all candidates. Each member of the Governing Body may cast as many votes as the number of vacancies, provided that he or she may not cast more than one vote for any one Fellow standing.

10. The required number of Fellows to fill the vacancies shall be declared elected, according to the votes cast for each Fellow from highest to lowest, provided that:
   (a) where more than two Fellows appearing on the Governance List established under Ordinance [A,I,10] would otherwise be elected, only the two with the highest votes shall be declared elected and the remaining such Fellows shall be deemed withdrawn from the election;
   (b) in the case of a tie for the final vacancy, the Chair of the meeting shall exercise a casting vote.

11. Where the Governing Body wishes to specify a shorter period or periods of membership for one or more vacancies, under Ordinance [A,VII,2], the elected Fellows shall be nominated to such vacancies from shortest to longest, according to the number of votes cast, from lowest to highest.

By-elections

12. If an elected Fellow ceases for any reason to be a member of the Council, or becomes a member serving ex officio, a vacancy for an elected Fellow shall arise and a by-election shall be held in accordance with this Ordinance at the next ordinary meeting of the Governing Body, normally for the remaining portion of the vacated period.
Constitution

1. The Governance Committee shall be a standing committee of the Governing Body. The Committee shall be composed of:
   (a) the President;
   (b) the Vice-President (Chair);
   (c) the Pro-Vice-President;
   (d) the Senior Independent Fellow;
   (e) one but no more than one of the Bursar, Senior Tutor or Development Director;
   (f) at least four further Fellows who are members of the Governing Body, of whom no more than one may hold an Office or Post named on the Governance List under Ordinance [A,I,10].

2. A member of the Committee appointed in category [1(f)] who is subsequently appointed to an Office or Post named on the Governance List shall thereupon be excluded from membership, and the vacancy filled by the Governing Body in accordance with Ordinance [D,I], unless either:
   (a) no other member of the Committee in category [1(f)] currently holds an Office or Post named on the Governance List; or
   (b) the member is appointed as Bursar, Senior Tutor or Development Director and thereby replaces that Officer as a member of the Committee; in which case, any vacancy in category [1(f)] shall be filled as necessary.

3. The Committee shall meet as necessary, and at least three times a year. The Chair and the President shall jointly prepare the Committee Agendas.

Remit

4. The Committee shall have general responsibility for:
   (a) recommending policy on and overseeing the systems of governance of the College, as established under the Statutes and Ordinances;
   (b) in accordance with procedures made in Regulations, ensuring and overseeing the independent investigation of any internal disclosure which is made in the public interest alleging malpractice by the College in the conduct of its activities (‘whistle-blowing’).

Governance

5. For the purposes of clause [4(a)], the Committee shall, in particular:
   (a) keep under review the Statutes, Ordinances, Regulations and any other standing orders of the College and, where the Committee considers it necessary or desirable, make recommendations for revisions to be made by the Governing Body, under Statutes [XIV] or [XV], or by the Council, under Ordinance [A,VII,8], in the light of:
(i) changes to University Statutes and Ordinances or national legislation; or
(ii) changing needs under College policy;
(b) keep under review the committee structure of the College, including the establishment or abolition of committees, and their terms of reference;
(c) keep under review the structure and role descriptions of College Officers;
(d) seek to encourage a wide range of Fellows’ candidacy for service on College committees and as Officers, Post-holders and Honorary Post-holders;
(e) nominate members of College committees other than the Council, and Chairs of committees as necessary;
(f) nominate persons for Honorary Posts;
(g) oversee but not conduct a suitable process for the annual development reviews of Fellows on the Governance List, ensuring that proper performance reviews are held;
(h) nominate persons for membership of Panels and Appeal Panels from the two Lists constituted by Governing Body under Ordinance [C,V,2(a)] and in accordance with Ordinance [C,V,2(b)];
(i) keep under review the procedures followed by Fellowships Committee in making recommendations to Governing Body for the election and re-election of Fellows in accordance with Ordinance [A,X,3(a) and (d)].
(j) keep under review the procedures followed by Fellowships Committee in making appointments and reappointments in accordance with Ordinance [A,X,3(b) and (c)].

Whistle-blowing

6. For the purposes of clause [4(b)], whistle-blowing shall comprise any disclosure made by any Member or employee of the College, which makes an allegation in relation to any of the following matters, which may be happening, have taken place or be likely to take place:
   (a) the commission of a criminal offence;
   (b) a breach of the Statutes or Ordinances or of any external legal or regulatory compliance;
   (c) a miscarriage of justice;
   (d) danger to any person’s health or safety;
   (e) damage to the environment;
   (f) a deliberate attempt to conceal any of the above.

7. Where a Member or employee of the College makes a disclosure under clause [6] and reasonably believes:
   (a) that the disclosure is true; and
   (b) that it is in the public interest to disclose it;
he or she shall be qualified for such protection against dismissal or other detriment, suffered as a result of making it, as the Public Interest Disclosure Act 1998 or subsequent applicable legislation provides.

Powers
8. For the purposes of carrying out its functions under clause [4], in particular clause [4(b)], the Committee shall have authority to:

(a) seek out information concerning and investigate any matter within its remit;
(b) at any reasonable time inspect any relevant records, including financial records, of the College, whether by any member of the Committee or by any authorised agent;
(c) engage the services of an appropriate person or organisation to assist it, provided that any such contract is reported to the Governing Body at the first opportunity and that any payment under the contract shall not exceed five thousand pounds (£5,000) unless approved in advance by the Governing Body.
ORDINANCE X

4. The Fellowships Committee shall be responsible to the Council for making recommendations for the allocation of Fellows' and other Senior Members' minor privileges.
PART B: Finance and Remuneration

ORDINANCE I

Financial Powers

Scope of powers

1. The powers conferred by clauses [3] and [4] of the Charter, and this Ordinance, shall apply to any property, held by or for the College, which is:
   (a) not held on trust; or
   (b) held on a trust, of which the College is a trustee, for any specific purposes of the College (a ‘special trust’), and which existed on the date when the Statutes took effect; or
   (c) held on a special trust created after the date when the Statutes took effect, except to the extent that the application of such powers is not permitted by law.

2. ‘Property’ shall mean property of every description, wherever situated, real or personal, including land and any estate or interest in land, intellectual property, money, securities, including financial instruments of any description, things in action, shares, stocks, funds and goods, and also every description of an interest, whether present, future, vested or contingent, arising out of or incidental to such property.

3. Subject to the Statutes and Ordinances of the College, it shall have all the powers which an individual of full legal capacity could exercise over property, so as to acquire, manage, deal with, invest and vary the investment of, sell, mortgage, charge, lease or otherwise dispose of any property; and to enter into and carry out any transaction relating to such property, or otherwise in connection with the management of its affairs, in such manner and upon such terms as the College shall in its absolute discretion think fit.

Power to create funds

4. The College shall have power to create funds for the general or any specific purposes of the College; and may allocate capital and income to such funds in its discretion, subject to the Statutes and Ordinances.

Power to invest

5. The College shall have power to invest any property held by or for the College, in a manner appropriate to the charitable purposes of the College, whether collectively with other property of the College or otherwise. In particular, the College shall have power to treat all or any part or parts of its property, whether held on special trust or otherwise, as one or more amalgamated funds to be invested for the benefit of the constituent funds.
**PART B**  
**ORDINANCE I**  

**FINANCIAL POWERS**

*Power to expend*

6. The College shall have power to appropriate for expenditure such part of the value of its property as is provided for in Ordinance [B,II]. Any reference to income in the Statutes or Ordinances of the College shall include the total sums so appropriated.

*Power to accept donations*

7. The College shall have power to accept gifts and other donations for any charitable purposes in furtherance of the interests of the College as a place of education, learning and research.

8. Notwithstanding Ordinance [A,VII,8], the Council shall have power to make financial Regulations giving effect to wishes or suggestions of donors recorded in writing, whether so expressed as to create a special trust or not, regarding the application of such gifts and any grants or awards supported by them, not being inconsistent with or prejudicial to the charitable purposes of the College. Such Regulations may be inconsistent with the provisions of the Statutes of the College provided that no Regulation shall derogate from any obligation imposed on the College by the Statutes of the University.

*Power to raise debt*

9. The College shall have power in furtherance of its charitable purposes to borrow or raise money in any manner, and to secure, guarantee or in any other way support the payment or repayment of such money.

*Power to carry on business*

10. The College shall have power in furtherance of its charitable purposes to carry on any business which the Governing Body authorises, whether by means of or through the agency of a corporate or unincorporated body, or otherwise.

11. The College shall have power to employ persons in the service of the College, and to assign to those persons such remuneration and benefits as it shall from time to time think reasonable for fulfilling the College’s purposes as a place of education, learning and research, in accordance where relevant with Ordinance [B,VII].

*Authorisations*

12. A statement to the effect that any Statute or Ordinance has been complied with shall be conclusive in favour of any person having relevant dealings with the College, provided always that such statement is signed or certified by any two persons from among the President, the Vice-President, the Bursar, the Senior Tutor and the Development Director. Such statement may take the form of a copy minute of the Governing Body or other College committee.
Amalgamated investment funds

1. In order to facilitate the management of the property of the College, the Governing Body, on the recommendation of the Council under Ordinance [A,VII,7(c)], may from time to time resolve that all or any part or parts of the property of the College, including any special trust (a ‘trust’), shall be brought into and managed within one or more amalgamated investment funds (AIFs), in accordance with clauses [2-8]. The following provisions shall apply to any individual AIF.

2. Any property may be brought into an AIF at any time, provided that where property is subject to a trust:
   (a) which came into operation less than sixty years prior to the proposed amalgamation; and
   (b) the College is not the sole trustee;
   the consent of the trustees of that property shall be required.

3. Upon first being constituted, an AIF shall be held on behalf of its constituent funds in whole units allocated to each fund. The Council shall, under Ordinance [A,VII,7(b)], fix the initial total number of units held by the AIF, and shall allocate an appropriate number of units to each constituent fund as nearly as possible in proportion to the respective capital investments of each constituent fund in the AIF.

4. The Council may at any time increase or decrease the size of an AIF:
   (a) by adding or withdrawing a constituent fund; or
   (b) by increasing or decreasing the investment made in it by a constituent fund.

5. Where a new constituent fund is added to an AIF or the investment made by a constituent fund is increased:
   (a) the total number of units in the AIF shall be increased by such number of units which as nearly as possible represents the value of the new investment based on the market value of the existing units; and
   (b) the constituent fund shall be allocated that number of new units; always provided that the value of the existing units in the AIF shall not be prejudiced by the issue of such further units.

6. Where a constituent fund is withdrawn from an AIF or the investment made by a constituent fund is decreased:
   (a) the total number of units in the AIF shall be decreased by such number of units which as nearly as possible represents the value of the investment withdrawn based on the market value of the existing units; and
(b) the constituent fund shall give up that number of units, and the units shall be cancelled; always provided that the value of the existing units in the AIF shall not be prejudiced by the cancellation of such units.

7. The Council may at any time wind up an AIF and divide the investments between the constituent funds in proportion to the number of units held by each fund at that time.

Annual dividends

8. For each AIF, a dividend per unit shall be declared annually and paid out of the fund to all its unit holders for their expenditure, which may include re-investment in the fund.

9. For the purposes of the declaration under clause [8], the Council shall at a suitable time determine the process for calculating the value of the annual dividend; provided that:
(a) dividends shall only be paid out of income received by an AIF, subject to any exercise of the power under clauses [12-13] of this Ordinance to adopt a total return approach to expenditure; and
(b) a fund shall not be required to distribute as dividends the whole of the income received in any one year, but may accumulate the whole or part of it from year to year.

10. The annual dividend declared by each AIF shall be included in the annual College Accounts.

Expenditure policy

11. In the absence of any resolution made by the Governing Body under clauses [12-13], the College shall appropriate for expenditure such sums as are income and not capital receipts in the hands of the Trustees of the College.

12. The Governing Body may at any time, upon the recommendation of the Council under Ordinance [A,VII,7(e)], resolve to adopt a total return approach to the investment and expenditure policies of the College, including the declaration under clauses [8-9] of dividends for unit holders in any AIF.

13. In clause [12], ‘to adopt a total return approach’ means to appropriate annually for expenditure, up to and no more than, as much of the fair value of:
(a) any AIF created in accordance with this Ordinance; and/or
(b) any property or fund which has not been brought into an AIF;
as the Governing Body considers in its absolute discretion is prudent, having regard to the total return achieved and reasonably expected to be achieved in the long-term of the AIF(s), or other property or funds, respectively.

14. In clause [13], ‘fair value’ means the amount at which an asset could be exchanged in an arm’s length transaction between informed and willing parties, other than in a forced or liquidation sale, and ‘total return’ means return in terms of both income, whether received or accrued, and capital appreciation, whether realised or unrealised.
15. When making a resolution under clause [12], the Governing Body shall comply with the procedures required by *The Charities (Total Return) Regulations 2013*, and/or with any relevant subsequent legislation. For this purpose, the Council shall, in particular, formulate such policies as those procedures require for:

(a) the initial treatment of the permanent endowment; and

(b) the future management of the total return receivable on the amalgamated fund.

16. Any policy for the management of the total return adopted under clause [15(b)] shall be incorporated by the Governing Body into this Ordinance, in accordance with Statute [XIV] and Ordinance [A,I,4(b)]. Any policy may be revised from time to time and at each such time this Ordinance shall be amended accordingly.
Accounts

1. In accordance with Statute [XII,1-2], the Bursar shall on behalf of the Governing Body prepare and publish annual accounts which shall provide a true and fair view of the financial position and financial activities of the College.

2. The College shall close its accounts each year on 31st July and shall prepare annual accounts in such form, and at such time, as the Council shall determine; provided always that the College shall comply with such Statutes of the University as govern college accounts, and with such relevant financial reporting and accounting standards as are established or authorised by law.

3. The Statement of Accounts presented in accordance with Statute [II,1(f)] shall:
   (a) conform with such Statement of Recommended Practice (‘SORP’) for Accounting as the University adopts, if at all, as the basis for the Recommended Cambridge College Accounts (‘RCCA’); provided that the Governing Body may depart from such SORP if it considers that doing so is necessary in order to present a true and fair view of the affairs of the College; any such departure shall be recorded in the statement of principal accounting policies of the Trustees' Annual Report;
   (b) have regard to, and normally conform with, the requirements and recommendations of the RCCA in force on the date of closure; provided that the Governing Body may depart from the RCCA where it considers that it is necessary to do so in order to comply with clause 3(a);
   (c) conform to applicable accounting standards in force on the date of closure.

Annual audit

4. The annual audit of the College accounts shall be conducted in accordance with Statute [XIII], sections [4-7].

Contribution to the University

5. The College shall make such financial contribution to, and for the purposes of, the University as may be required under the Statutes of the University from time to time. Any trust of the College which is required to be taken into account in the calculation of any contribution shall bear its own share, paid out of income attributable to such trust.

Planning and resources

6. Following Statute [I,5], and subject to any relevant provisions laid down by the Governing Body in Ordinances, the Council shall, further to Ordinance [A,VII,7], establish suitable committees and processes for:
(a) determining financial policies and practice;
(b) overseeing day-to-day financial management, in particular the creation and management of College bank accounts and cash management;
(c) planning and resource allocation within the College;
(d) the management, maintenance and development of College buildings.

Grants and awards

7. The Council may, itself or by delegation to a suitable committee or Officer, make such grants or awards from such funds as it thinks fit, save where any Regulation for the time being governing a particular trust or fund provides otherwise.

8. Where the terms of any trust or designated fund provide for any grant or award to be made to any person, financial Regulations shall specify:
   (a) the eligibility of candidates;
   (b) criteria for the selection of successful candidates, in particular:

3. The Governing Body may apply any surplus income of a trust fund of which the College is sole trustee, and in so far as a contrary intention is not expressed in any instrument made after the making of this statute, as income in any subsequent year, or may invest it and add it to the capital of the fund, or may apply it within the general educational purposes of the College.

4. In exercising the power under this Statute to apply any surplus income of a trust fund, the College shall have regard to its duty as trustee of the fund concerned properly to consider and apply as appropriate the principles involved in the application of the cy-près doctrine and to be satisfied that application cy-près is necessary in order to secure its effective use.

5. In this Ordinance, surplus income means income unexpended in any year after the purposes of the trust have been fully provided for in that year (whether wholly by income from the trust or partly by income from the trust and partly by other moneys).

   (c) the nature of the property that is the subject matter of the gift;

   (e) the value of the gift in relation to the annual income or assets of the College, such that the higher the relative value of the gift the more appropriate it would be to treat it as expendable endowment rather than income.
Any decision made under this clause shall be final.

Financial Regulations

10. Financial Regulations may be made for any fund, and shall be made for any endowment fund which is held on trust within category [6(d)] or [6(f)]. 26. **Affiliates**: an Associate or Research Associate who is not re-appointed for a further term shall normally be appointed as an Affiliate of the College, for life.

**Other Visitors**

27. **Visiting Associates**: either a person normally holding a doctorate, whose visit is not deemed as justifying election as a Visiting Fellow, or a professional planning to collaborate in research translation activity with one or more Senior Members of the College, may be appointed as a Visiting Associate for a maximum period of one year, which shall not normally be renewed.

28. **Academic Visitors**: a person who has not obtained a doctorate may be appointed as an Academic Visitor for a maximum period of one year, which shall not normally be renewed. An Academic Visitor shall be a member of the Middle Common Room (MCR).

30. Related persons shall not normally serve together on Council or other committees established by Ordinance. Governance Committee may authorise exceptions for a committee where neither of the two related persons is the Chair, each is deemed to bring distinctive expertise not available elsewhere, and their joint membership is not deemed problematic for the committee’s good functioning.

31. A related person of the President or of a Fellow who holds an Office or Post named on the Governance List may not serve on a committee or in a role which has significant input into that member’s work, and may not stand for election as Pro-Vice-President or Vice-President.

32. Where a Fellow is a member of the Academic Staff under paragraph [1] of the Academic Staff Statute, any decision:
   (a) to discipline the Fellow; or
   (b) to remove the Fellow from his or her Fellowship during its tenure; or
   (c) not to re-elect the Fellow at the expiry of the Fellowship, whether at the end of a fixed-term Office, Post or employment, or at the completion of a probationary period, or otherwise;
   may only be taken in accordance with the provisions of that Statute and procedures set out in Ordinance [C,V].

33. A Fellow in Classes A-F who is not a member of the Academic Staff may be disciplined, or removed from his or her Fellowship during its tenure, only in accordance with Statute [IV,8]. 34. The renewal of Fellowships in Classes A-F for Fellows who are not members of the Academic Staff shall normally be conducted under Ordinance [A,X,3(d)]; provided always that for the purposes of reviewing the expiry of any fixed-term contract of employment, or the completion of a probationary period of employment, held in conjunction with a Fellowship, Part [V] of the Academic Staff Statute and Ordinance [C,V] shall apply to such Fellows as if they were such members.

35. A Former President, or a Fellow in Class G, or a Titular Fellow may, unless he or she is a member of the Academic Staff, be removed from his or her membership and/or Fellowship of the College by the Governing Body, on the grounds that he or she has brought the College into disrepute or is otherwise unfit to remain a member and/or hold the Fellowship; provided that in all cases the Governing Body shall:
(a) conduct a proper inquiry, in accordance with such arrangements as it shall reasonably determine, into the alleged grounds for such removal; and
(b) give the person concerned a fair opportunity to make representations to the College in the matter, whether in person or in writing.

Where an Officer who holds a GB Fellowship ceases for any reason to hold that Fellowship he or she shall thereupon vacate the Office. 2. Nominations for vacancies in the Honorary Posts shall be made to the Governing Body by the Governance Committee, normally in the Easter Term but otherwise as vacancies arise. A GB Fellow may make nominations directly to the Governing Body.

3. If there is more than one nomination for an Honorary Post the Governing Body shall hold an election. An Honorary Post shall be left vacant if no candidate receives half or more of the votes cast.

4. Holders of Honorary Posts shall normally be appointed from among the Fellows in Classes A-G; exceptionally another Senior Member may be appointed. If a person ceases for any reason to hold the status which he or she held when appointed to an Honorary Post, and is not immediately appointed to another qualifying status for that Post, he or she shall thereupon cease to hold his or her Post, and the vacancy shall be filled by the Governing Body as soon as practicable.

5. Honorary Posts shall normally be unpaid positions, and shall normally be held for an initial period of three years, renewable for a further period or periods of three years without limit, at the discretion of the Governing Body. 7. When and if called upon by any Fellow or College Officer, the SIF shall act as:
   (a) an independent source of advice and support to the College Officers, in particular the President;
   (b) a mediator between the College Officers, where a dispute arises or relationships are otherwise at risk;
   (c) a mediator between members of the Fellowship, where a dispute arises or relationships are otherwise at risk;
   (d) a mediator between any Fellow(s) and any College Officer(s), facilitating the resolution of any concern raised by the Fellow(s) regarding College management or operations,
provided that the Fellow(s) has previously attempted to resolve the concern through the usual channels of discussion and deliberation;
(e) an independent voice for the Governing Body where it considers that the College Officers are either following a strategy or acting and taking decisions collectively without the support and approval of the Governing Body.

8. When carrying out his or her functions, the SIF shall ensure that:
(a) any instance of ‘whistle-blowing’ is referred to the Governance Committee under Ordinance [A,IX,4(c)], for investigation;
(b) any dispute or concern which constitutes an individual grievance of a Fellow, whether a member of the Academic Staff or not, is dealt with under the Grievance Procedures established under the Academic Staff Statute and Ordinance [C,V], which shall constitute the grievance procedures required under Statute [IV,8];
(c) any formal complaint against the President is made to the Vice-President, under Ordinance [C,II,10(d)].

12. The Honorary Director of Research shall be a Fellow in Classes A-G and shall be responsible to the Council for promoting the importance of research amongst College membership.
1. General Principles
   (a) The procedures set out in this Ordinance shall be construed and applied in the light of
   the guiding principles on academic freedom stated in paragraph [2] of the Schedule to
   the Statutes (‘the Academic Staff Statute’); with the intent that:
   (i) no member of the Academic Staff shall be dismissed unless the grounds for such
       dismissal may reasonably be treated as sufficient in all the circumstances, including
       the size of the College and of its administrative resources; and
   (ii) these procedures shall be just, and fairly applied.
   (b) Further to paragraph [1] of the Academic Staff Statute and Ordinances [C,II,6-7] and
       [C,III,2], the expression ‘employed’ in the Academic Staff Statute means ‘employed
       under a contract of employment’ as construed in law; such that no person shall be
       regarded as employed by the College in respect only of holding a Fellowship, or a
       Scholarship or Studentship, or any like award paid for out of the endowment income of
       the College, or out of any trust fund held by the College, or out of any funds external to
       the College.

2. Panels and Appeal Panels
   Constitution
   (a) The Governing Body shall in the Easter Term constitute two Lists of persons for
   membership of any Panel or Appeal Panel that may be appointed in the next academic
   year:
      (i) List A shall comprise at least three persons who are legally qualified, at least one of
          whom shall not be a member of the College.
      (ii) List B shall comprise at least twelve Fellows, including Class G Fellows and Titular
          Fellows but not By-Fellows.
   No person who is on leave of absence during the year shall be appointed to any Panel,
   unless the period of leave would not in practice cause delay to any proceedings.
   (b) The Governing Body shall appoint a Panel or Appeal Panel from the Lists, when needed,
   cognisant of the nominations recommended by Governance Committee, according to
   the following rules:
      (i) the Chair shall be drawn from List A and, in the case of an Appeal Panel, shall not be
          a member of the College;
      (ii) two further members shall be drawn from List B, normally including at least one
          man and at least one woman;
      (iii) a medical Panel or Appeal Panel shall include a medically qualified person appointed
          ad hoc by the Governing Body;
      (iv) no person may be appointed to a Panel or Appeal Panel where he or she has a prior
          involvement in the matter which would make his or her participation in the
          proceedings unfair, or where he or she is under any other conflict of interest under
          Ordinance [A,VI];
(v) no member of a Panel shall also be a member of an Appeal Panel in the same matter;
(vi) a Panel or Appeal Panel to consider the removal of a President shall be constituted in accordance with paragraph [17] of the Academic Staff Statute;
(vii) any member of Academic Staff who is subject to proceedings under this Ordinance (‘the Member Concerned’) may for good cause challenge the appointment of any person to a Panel or Appeal Panel within three working days of being notified of the person’s appointment. The Governing Body shall rule on the challenge and its decision shall be final; where necessary an alternate member shall be appointed. The Governing Body shall not normally entertain more than two such challenges.

(c) Where the Governing Body is unable to appoint the required number of persons from List A and/or List B it may appoint any person or persons who are not on the List(s), but would be qualified to be so and who satisfy the rules under paragraph [2(b)].

Panel Chair

(d) The Chair shall regulate the proceedings of the Panel, in consultation with the other members.
(e) The Chair may in his or her reasonable discretion: vary time limits; allow the amendment of issues or of grounds of appeal; permit any departure from the rules or procedure set out in this Ordinance; and exclude any person, including the Member Concerned, from any hearing, in the interests of good order. In exercising any discretion, the Chair may set such conditions as he or she shall see fit.
(f) The Chair may postpone, adjourn and reconvene any hearing or other meeting of the Panel. Where the Chair considers that, in order to ensure a just and fair process the Panel should be discharged and a fresh Panel appointed, he or she shall inform the Governing Body, which shall determine the matter and, if necessary, discharge the Panel and appoint a fresh one.
(g) Where a material aspect of the matter before the Panel is or may be the subject of criminal or civil proceedings in a court of law, or the subject of disciplinary proceedings in the University, the Chair may suspend proceedings by the Panel for such period as he or she thinks appropriate.
(h) The Chair shall keep a record of proceedings. He or she may be assisted by a suitable member of the Assistant Staff. The Chair may by signature correct any clerical error or omission in the record.
(i) The Chair shall send a copy of the Panel’s decisions, including any findings of fact, and the reasons therefor, to the President, the Member Concerned, the Presenting Officer (where relevant) and to any person who may have been added as a party to the proceedings.
(j) The Chair shall notify the Member Concerned of any right of appeal and the procedures involved, in particular the time limit for serving an appeal.

Conduct of hearings

(k) Panels shall deal with cases justly, in accordance with the rules of procedure. So far as practicable, Panels shall:
(i) ensure that the parties are on an equal footing;
(ii) minimise expense;
(iii) deal with the case in ways which are proportionate to the complexity of the issues;
(iv) ensure an expeditious and fair process.
(l) Panels shall, so far as practicable, avoid formality, and shall not be bound by any enactment or rule of law relating to the admissibility of evidence in proceedings before courts of law. They shall make such inquiries of persons and witnesses appearing before them as they consider appropriate and shall otherwise conduct their hearings in such manner as they consider most appropriate for the clarification of the issues before them and generally for the just handling of the proceedings.

(m) Any meeting of a Panel shall be valid and effective provided that the Chair is present. Any member of a Panel who fails to attend the whole of any hearing, save for absences which, in the opinion of the Chair, are immaterial, shall be disqualified from the Panel.

(n) Where it appears after the start of the first hearing that a Panel member is under a conflict of interest in the matter, he or she shall immediately resign or, in default, may be challenged for good cause by the Member Concerned. The Governing Body shall rule on any challenge and its decision shall be final.

(o) Where, for any reason, any member other than the Chair resigns or is disqualified, the reduced Panel may continue to sit, provided that the Member Concerned consents. Where the Member Concerned does not consent, or the Chair resigns or is disqualified, an alternate member or Chair shall be appointed under paragraph [2(a)-(c)] and proceedings recommenced ab initio.

(p) Any hearing shall take place in private unless the Panel, after considering the views of the Member Concerned, directs otherwise.

3. Redundancy procedure

Resolution to consider a reduction in the Academic Staff by way of redundancy

(a) This procedure shall apply where the Governing Body considers that it may be appropriate to effect a reduction, by way of redundancy, in the Academic Staff of the College as a whole or of any area of academic work within the College. But it shall not apply to any matter falling under Part [V] of the Academic Staff Statute (fixed-term appointments, probationary periods, other dismissals and secondary appointments).

(b) Where the Governing Body so considers, it shall consult such members of the Academic Staff, and such others persons holding office in or employed by the College, as it considers likely to be affected; in accordance with such processes and such time-scales as are required by law. After considering any responses, the Governing Body shall resolve:

(i) to take no further action; or

(ii) to continue, extend or vary the process of consultation, with such modification of the terms of consultation as it sees fit; or

(iii) to effect a reduction in the Academic Staff by way of redundancy; in such case it shall decide what, if any, direction to give as to the extent of the reduction.

Selection for redundancy

(c) Where the Governing Body makes a resolution under paragraph [3(b)(iii)] it shall appoint a Redundancy Selection Committee of at least two suitable persons (which shall not be a Panel appointed under paragraph [2]). The Committee shall select members of the Academic Staff for dismissal, and give notice of dismissal to those members so selected. The Committee shall act in accordance with any direction given by the Governing Body, but otherwise may regulate its own proceedings, subject to the adoption of a just and fair process which complies with paragraphs [3(d)] and [3(e)].
(d) The Committee shall formulate the selection criteria which it proposes to employ, having regard to all relevant factors prescribed or advised in law and best practice; and shall notify accordingly each member of the Academic Staff who is being considered for selection.

(e) Each such member may make written or oral representations to the Selection Committee. Representations may be made either on the member’s own behalf or through an authorised representative, such as a friend or colleague, or union official. Where, following the receipt of such representations, any change is made to the selection criteria, any member who might be materially affected shall be afforded a new opportunity to make representations.

(f) The Committee shall select members for dismissal by applying the adopted criteria in the light of any representations on selection received from the members under consideration.

(g) The Committee shall give notice of dismissal to each member of the Academic Staff who is selected, informing him or her of:

(i) the selection criteria finally adopted;
(ii) the reasons for his or her dismissal;
(iii) the proposed terms of the dismissal and of any proposal to appoint him or her to an alternative employment or other position; and
(iv) his or her right of appeal under paragraph [3(h)].

Appeal

(h) A member of the Academic Staff who is given notice of dismissal by reason of redundancy may, within fourteen days from the date of that notice, give to the President notice of appeal to a Redundancy Appeal Panel appointed under paragraph [2(b)-(c)]. The notice of appeal shall state the grounds of appeal.

(i) The serving of an appeal shall not affect the operation of the notice of dismissal, but the Chair of the Appeal Panel may extend the period of notice if he or she considers that this is just and fair in all the circumstances.

(j) The appellant may be supported or represented at any hearing by an authorised representative, such as a friend or colleague, or union official.

(k) The Appeal Panel may decide to remit the matter back for further consideration or to make a final decision in the matter.

(l) Where the matter is remitted back to a Redundancy Selection Committee, the Appeal Panel may:

(i) direct that it should be considered either by the same Committee or by a differently constituted Committee; and
(ii) give such other directions as it sees fit, in particular, directions affecting other members of the Academic Staff; provided always that it may confirm, suspend, extend or cancel any notice of dismissal given to such other members, but shall not give notice of dismissal to any member of the Academic Staff not already under such notice.

(m) A fresh right of appeal to a Redundancy Appeal Panel shall accrue to the appellant from any notice of dismissal given or confirmed as a result of any further consideration under paragraph [3(l)].

(n) Where a Redundancy Appeal Panel reaches a final decision on any appeal, no further right of appeal under College procedures shall lie against that decision.
4. Disciplinary procedure

Less serious matters: warnings

(a) Where the conduct or performance of a member of the Academic Staff (‘the Member Concerned’) is or or may be unsatisfactory, the President shall inquire into the matter, and where he or she considers it appropriate may issue a first or, where necessary, a final written warning. Where a further offence occurs after a first written warning, the President may issue a final written warning. The President shall keep a copy of any warning issued.

(b) A first written warning shall specify:
   (i) the reason(s) for the warning;
   (ii) that it constitutes the first stage of the College’s disciplinary procedure;
   (iii) that the Member Concerned may appeal against the warning under paragraph [4(e)].

(c) A final written warning shall specify:
   (i) the reason for the warning;
   (ii) the improvements required in the conduct or performance of the Member Concerned;
   (iii) the period of time within which such improvements are to be made;
   (iv) that, if no satisfactory improvement takes place within the stated time, charges may be instituted before a disciplinary panel;
   (v) that the Member Concerned may appeal against the warning under paragraph [4(e)].

(d) Any warning shall specify a period from the date of issue after which, in the absence of further disciplinary matters arising, it will be disregarded for all purposes. The period shall not exceed one year in the case of a first written warning and shall not exceed two years in the case of a final written warning.

(e) The Member Concerned may, within fourteen days, appeal against a disciplinary warning, by giving notice in writing to the Secretary to the Council, stating the grounds of appeal. The appeal shall be heard by a Warnings Appeal Panel appointed under paragraph [2(a)-(c)], provided that the Panel shall normally be drawn entirely from List B and the Chair need not be legally qualified. The Panel’s decision shall be final and if the appeal is allowed the warning shall be disregarded for all purposes.

More serious matters: charges before a Disciplinary Panel

(f) Where the Governing Body is notified by any person of a complaint against a member of the Academic Staff (‘the Member Concerned’) which would, if proven, constitute a sufficient reason for his or her dismissal, the Council shall, on behalf of the Governing Body, write formally to the Member Concerned, stating the complaint and that this may constitute a reason for dismissal, and inviting his or her comment in writing by a specified date. Representations may be made either on the member’s own behalf or through an authorised representative, such as a friend or colleague, or union official.

(g) As soon as reasonably practicable following receipt of any comments, the Council shall consider the complaint in the light of all the available evidence including, at its discretion, representations in person, or through an authorised representative, from the Member Concerned. The Council may:
   (i) dismiss the matter summarily; or
(ii) issue a first or final written warning; or
(iii) determine that a charge should be considered by a Disciplinary Panel.

(h) Where the Council determines that a charge should be considered by a Disciplinary Panel, the Governing Body shall appoint a Panel under paragraph [2(b)-(c)], and appoint a suitable person (‘the Presenting Officer’) to formulate the charge and to present it, or arrange for its presentation.

(i) Where the Governing Body at any time considers that the College would otherwise suffer significant harm, it may suspend the Member Concerned from his or her duties on full pay. Any such suspension shall be reviewed at regular intervals of not more than two months.

(j) The Presenting Officer shall seek to ensure that the case is heard and determined as expeditiously as is reasonably practicable.

(k) As soon as reasonably practicable after his or her appointment, the Presenting Officer shall send to the Member Concerned, any authorised representative, and to the Chair of the Panel, a notice of the charge, together with a copy of the Academic Staff Statute and of this Ordinance.

(l) The Chair shall, after consultation with the Member Concerned and with the Presenting Officer, determine the date and time of a meeting of the Disciplinary Panel; and shall send a notice of the date, time and place of the meeting to the Member Concerned, to the Presenting Officer and to the members of the Disciplinary Panel.

(m) Not later than seven days before the date set for the hearing, the Presenting Officer shall send to the Member Concerned, any authorised representative, and to the members of the Disciplinary Panel:
   (i) a copy of the charge, together with any documents specified therein;
   (ii) a list of all witnesses that the Presenting Officer proposes to call, with statements containing the evidence they are expected to give; and
   (iii) a copy of any other documents that the Presenting Officer proposes to put in evidence.

Evidence

(n) Evidence that a person has been convicted of a criminal offence by or before any court of law, or that any court of law has found proved an offence with which he or she was charged, shall, for the purpose of establishing that that person committed the offence or was guilty of any act or conduct in respect of which he or she was so charged or convicted, be admissible in any proceedings before a Disciplinary Panel.

Decisions of a Disciplinary Panel

(o) Where the Disciplinary Panel finds the charge or any part thereof to be without substance, it shall dismiss the charge or that part thereof.

(p) Where the Disciplinary Panel finds the charge or any part thereof to be established, it shall allow the Member Concerned and the Presenting Officer to make representations on penalty.

(q) The Disciplinary Panel may decide to impose no penalty, or to impose any one or more of the following:
   (i) a first or final written warning;
   (ii) suspension without pay for up to three months;
   (iii) the withholding of future increments in stipend;
   (iv) reduction in grade in any primary Office, Post or employment;
(v) removal from any secondary Office, Post or employment;
(vi) the substitution of a lesser Office, Post or employment for a primary one;
(vii) deprivation of Fellowship;
(viii) dismissal with or without notice;
(ix) the award of compensation to any person in respect of any loss caused or damage done; and
(x) any lighter penalty.

(r) Where the Disciplinary Panel considers that the conduct of the Member Concerned constitutes gross misconduct such as to justify dismissal without notice, it shall so state. If the Member Concerned is dismissed without notice in the absence of such statement the College shall pay compensation in lieu of proper notice.

(s) The Disciplinary Panel shall not substitute a lesser Office, Post or employment for a primary one unless it considers that the conduct of the Member Concerned justifies dismissal from the primary Office, Post or employment, whether with or without notice.

(t) Where the Disciplinary Panel considers that the Member Concerned should be dismissed, but that the dismissal is for some other substantial reason than misconduct, it shall so state, with reasons.

Appeal

(u) The Member Concerned may, within fourteen days, appeal against any decision of the Disciplinary Panel, by giving notice in writing to the Secretary to the Council. The notice of appeal shall state the grounds of appeal and whether it is an appeal against the findings of the Disciplinary Panel, stating which findings are appealed against, or the penalty imposed, or both.

(v) The appeal shall be heard and determined as expeditiously as is reasonably practicable by a Disciplinary Appeal Panel appointed under paragraph [2(b)-(c)]. The Appeal Panel may substitute for the decision of the Disciplinary Panel any decision which that Panel might have made. The decision of the Disciplinary Appeal Panel shall be final.

Addition of parties and the consolidation of matters

(w) A Panel Chair may add any other person as party to the proceedings where he or she considers it necessary or desirable in order to ensure a just and fair process.

(x) The Governing Body may determine that charges against more than one member of the Academic Staff may be heard concurrently by the same Disciplinary Panel; or that charges against one or more members of the Academic Staff shall be heard concurrently with charges against any Fellow who is not a member of the Academic Staff.

(y) The Governing Body may determine that charges against one or more members of the Academic Staff shall be heard concurrently with charges against one or more Students of the College. In any such a case, the Disciplinary Panel shall be deemed to be constituted concurrently as a student disciplinary committee under Statute [IX,3], Ordinance [E,I], and Regulations made thereunder; and the proceedings under this Ordinance shall be modified accordingly, where necessary to ensure a just and fair process for the student.

Relationship with proceedings for incapacity

(2) If at any stage the Panel Chair considers that the conduct or capability of the Member Concerned may be attributable, wholly or in part, to a medical condition, then he or she may, in his or her discretion:
(i) request the Governing Body to appoint a medically qualified person as Medical Consultant to the Disciplinary Panel; or
(ii) suspend the proceedings of the Disciplinary Panel, and recommend the appointment of an Incapacity Panel under paragraph [2(b)-(c)], to which the proceedings shall be transferred under paragraph [5].

A Medical Consultant shall not be a member of the Disciplinary Panel but shall offer advice and guidance to the Panel on medical matters.

(aa) Where proceedings are transferred to an Incapacity Panel the Panel Chair may at any time, if but only if he or she considers that in all the circumstances it is conducive to the interests of justice and fairness, suspend the proceedings of the Incapacity Panel and recommend that:
(i) the proceedings are transferred back to the initial Disciplinary Panel; or
(ii) the initial Disciplinary Panel is discharged and the Incapacity Panel is constituted as a Disciplinary Panel for all further proceedings; or
(iii) the initial Disciplinary Panel is discharged and a fresh Disciplinary Panel is appointed, to which the proceedings shall be transferred.

(bb) Where any proceedings are transferred to an alternative Panel:
(i) the outgoing Chair may continue to act notwithstanding the provisions of paragraph [2(b)(iv)]; and
(ii) the incoming Chair shall have authority, in the interests of justice, fairness and efficiency, to rule as relevant and admissible in the fresh proceedings any part of the record of the prior proceedings.

5. Procedure for assessing incapacity on health grounds

Issues before an Incapacity Panel

(a) Where the Governing Body considers that the capacity of a member of the Academic Staff (‘the Member Concerned’) to carry out his or her duties should be reviewed on health grounds, it shall appoint an Incapacity Panel under paragraph [2(b)-(c)] and appoint a suitable person (‘the Presenting Officer’) to present the issues, or arrange for their presentation, to the Panel.

(b) Any reference in these procedures to the Member Concerned shall include any person having authority to act in the proceedings on the Member’s behalf, whether a legal deputy, or a friend, colleague or union official, and whether instead of or in addition to the Member himself or herself.

(c) As soon as reasonably practicable after his or her appointment, the Presenting Officer shall send to the Member Concerned and to the Chair of the Panel a notice of the reason(s) why the Governing Body considers that the capacity of the Member Concerned to carry out his or her duties should be reviewed on health grounds, together with a copy of the Academic Staff Statute and of this Ordinance.

(d) The Presenting Officer shall seek to ensure that the case is heard and determined as expeditiously as is reasonably practicable.

(e) The Panel Chair shall, after consultation with the Member Concerned and with the Presenting Officer, determine the date and time of a meeting of the Incapacity Panel; and shall send notice of the date, time and place of the meeting to the Member Concerned, to the Presenting Officer and to the members of the Incapacity Panel.
(f) Not later than seven days before the date set for the hearing, the Presenting Officer shall send to the Member Concerned and to the members of the Incapacity Panel:

(i) a copy of the reasons of the Governing Body for conducting the review, as referred to in paragraph [5(c)], together with any documents therein specified;

(ii) a list of all witnesses the College proposes to call, with statements containing the evidence they are expected to give; and

(iii) a copy of any other documents that the Presenting Officer proposes to put in evidence.

Medical evidence

(g) The Presenting Officer shall request the Member Concerned to provide such medical evidence as the Presenting Officer considers necessary for the purposes of presenting the issues to the Incapacity Panel. Such evidence may include the opinion of a medically qualified person appointed by the College, at College expense, to advise on the health of the Member Concerned.

(h) Where the Member Concerned declines to provide any or all of the evidence requested, the Presenting Officer may, if he or she considers that the Member Concerned is acting unreasonably, apply to the Panel Chair to direct the Member Concerned to produce such medical evidence (whether or not sought by the Presenting Officer) as the Panel Chair shall specify. The Member Concerned may appeal against such a direction to a member of List A nominated by the Governing Body, whose decision shall be final.

(i) If, after a direction to produce medical evidence, the Member Concerned declines to provide any or all of the evidence directed, the Incapacity Panel and, if appointed, an Incapacity Appeal Panel may draw such inferences as to the health of the Member Concerned as are reasonable in all the circumstances of the case.

Decisions of an Incapacity Panel

(j) Where the Incapacity Panel finds that the Member Concerned is incapable of performing his or her duties satisfactorily, it may take any of the following actions:

(i) direct the Council to consider making reasonable adjustments to the Member’s terms and conditions of work, or working environment, so that he or she may be enabled to remain in his or her current or an appropriate alternative Office, Post or employment;

(ii) suspend on full pay on grounds of ill health, pending receipt of evidence to the satisfaction of the medically qualified member or members of the Panel of fitness to resume work;

(iii) suspend on full pay on grounds of ill health, pending further review by the Incapacity Panel at a specified date; or

(iv) dismiss, with or without notice, on grounds of ill health.

If the panel decide to dismiss without notice, the College shall pay compensation to the Member Concerned in lieu of proper notice.

Appeal

(k) The Member Concerned may, within fourteen days, appeal against any decision of the Incapacity Panel, by giving notice in writing to the Secretary to the Council. The notice of appeal shall state the grounds of appeal and whether it is an appeal against the findings of the Incapacity Panel, stating which findings are appealed against, or the action taken, or both.
The appeal shall be heard and determined as expeditiously as is reasonably practicable by an Incapacity Appeal Panel, appointed under paragraph [2(b)-(c)]. The Appeal Panel may substitute for the decision of the Incapacity Panel any action which that Panel might have taken. The decision of the Incapacity Appeal Panel shall be final.

6. Procedure for the review of fixed-term appointments
   (a) This procedure shall apply where a member of the Academic Staff (‘the Member Concerned’) holds an Office, Post or other employment which has been appointed for a fixed term. At the time the appointment is made, the Council shall sufficiently define the nature and character of the Office, Post or other employment, so as to inform the Member Concerned of his or her expectations in relation to any renewal.

   Appointment and remit of Panel
   (b) The Governing Body shall in a timely manner prior to the expiry of any fixed-term appointment, and normally in accordance with the timetable set out in paragraphs [6(f)-(h)], appoint a Fixed-Term Review Panel under paragraph [2(b)-(c)].
   (c) The remit of a Fixed-Term Review Panel shall be to decide whether to:
       (i) allow the appointment to terminate at its expiry; or
       (ii) renew the appointment for a further fixed term; or
       (iii) confirm the appointment as permanent; or
       (iv) offer the holder a further or alternative appointment, under a different contract.
   (d) An appointment may be allowed to terminate at its expiry where it is inexpedient or undesirable for the College to decide otherwise, taking into account the following considerations:
       (i) the continuing need, or otherwise, for some person to carry out the duties of the appointment;
       (ii) the nature and character of the appointment, in particular whether it is inherently temporary or time-limited, or requires rotating appointments;
       (iii) the availability of external funding for the appointment;
       (iv) the financial position of the College;
       (v) the desirability of making the appointment permanent and filling it through open competition;
       (vi) the performance of the Member concerned;
       (vii) any other legitimate objective of the College, where termination of the appointment is a necessary and proportionate means to achieve it.
   (e) A Fixed-Term Review Panel may consider matters which, in other circumstances, might be dealt with under Parts II, III or IV of the Academic Staff Statute.

   Timetable
   (f) Where a fixed-term appointment is three years or more, a Fixed-Term Review Panel shall normally conduct a preliminary review not later than the end of the Lent Term of the penultimate year;
   (g) Where a fixed-term appointment is less than three years, there shall not normally be a preliminary review;
   (h) A second and final, or first and final, review, as relevant, shall take place at such time as shall ensure that a final decision, including a final decision after any appeal, may be reached in a fair, reasonable and timely manner. A final review for a fixed-term of three years or more shall normally take place not later than the division of the term next but
one before the expiry of the appointment. A final review for a fixed-term of less than three years or shall normally take place not later than the division of the term before the expiry of the appointment.

Proceedings

(i) Whether for a first or final review, the Fixed-Term Review Panel shall hold at least one consultation meeting with the Member Concerned at which he or she may be supported or represented by a friend or colleague, or a union official. The Panel shall take into account all available evidence that is relevant to the considerations listed in paragraph [6(d)]; this may include any annual developments reviews and shall include references from any College Fellow or committee members who have knowledge of the Member Concerned in the performance of his or her duties.

(j) The Fixed-Term Review Panel shall take into account, but shall not be limited to, evidence of:
   (i) general conduct;
   (ii) capability, willingness and availability for performing the duties of the appointment;
   (iii) commitment to the responsibilities of a Fellow, and to the College community.

(k) Where, after a preliminary review, the Fixed-Term Review Panel considers that confirmation of a permanent appointment might be appropriate, it shall inform the Member Concerned of any conditions that would, without prejudice to the final decision, need to be fulfilled; in particular, any timetable of targets or improvements which must be achieved.

(l) As soon as practicable, the Member Concerned shall be notified of the Fixed-Term Review Panel’s decisions and reasons, and of the rights of appeal under paragraph [6(m)-(n)].

Appeal

(m) There shall be no appeal against:
   (i) a decision that there is no continuing requirement in the College for any person to carry out the duties of the appointment; or
   (ii) any findings or decisions made at a preliminary review.

(n) The Member Concerned may, within fourteen days, appeal against any other decision of the Fixed-Term Review Panel, by giving notice in writing to the Secretary to the Council. The notice of appeal shall state the grounds of appeal and whether it is an appeal against the findings of the Panel, stating which findings are appealed against, or the decision(s), or both.

(o) The appeal shall be heard and determined as expeditiously as is reasonably practicable, by a Fixed-Term Review Appeal Panel, appointed under paragraph [2(b)-(c)]. The Appeal Panel may substitute for the decision of the Panel any decision which that Panel might have taken. The decision of the Appeal Panel shall be final.

Termination of appointment

(p) Where a final decision is taken that an appointment shall be terminated at the expiry of the fixed-term, and the Member Concerned dismissed, he or she shall be formally notified of the date of termination, and that in the view of the Governing Body the dismissal is fair and reasonable.

7. Procedure for the review of probationary appointments
(a) This procedure shall apply where a member of the Academic Staff (‘the Member Concerned’) holds an Office, Post or other employment which is subject to confirmation at the end of an initial or extended probationary period of appointment.

(b) The Council shall, for any such appointment, designate a Fellow as the mentor of the Member Concerned during the probationary period. The mentor shall give such help, guidance and warnings as he or she may consider appropriate to assist the Member Concerned to succeed in his or her appointment, and keep a record of the Member’s progress.

(c) Not later than two months before the end of the initial probationary period, the Governing Body shall appoint a Probation Review Panel under paragraph [2(b)-(c)]. The Panel shall:
   (i) consult with the Member’s mentor;
   (ii) conduct such other inquiries as it considers appropriate to assess the performance of the Member;
   (iii) hold at least one meeting with the Member Concerned, at which he or she may be supported or represented by a friend or colleague, or a union official.

(d) The Probation Review Panel shall decide whether to:
   (i) confirm the appointment of the Member Concerned at the end of the initial probationary period; or
   (ii) extend the initial probationary period; or
   (iii) give the Member Concerned notice of dismissal from the end of the initial probationary period;
   provided always that an initial probationary period shall not be extended more than once, and shall not be extended so that the whole period amounts to one year or more, without the consent of the Council.

(e) The Chair of the Panel shall as soon as practicable write to the Member Concerned, stating the decision and the reasons for it.

(f) The Member Concerned may, within fourteen days, appeal against any decision of the Probation Review Panel, by giving notice in writing to the Secretary to the Council. The notice of appeal shall state the grounds of appeal and whether it is an appeal against the findings of the Panel, stating which findings are appealed against, or the decision(s), or both.

(g) The appeal shall be heard and determined as expeditiously as is reasonably practicable, by a Probation Review Appeal Panel, appointed by the Council under paragraph [2(b)-(c)]. The Appeal Panel may substitute for the decision of the Panel any decision which that Panel might have taken. The decision of the Appeal Panel shall be final.

**Termination of appointment**

(h) Where a final decision is taken that an appointment shall be terminated at the end of the probationary period, and the Member Concerned dismissed, he or she shall be formally notified of the date of termination, and that in the view of the Governing Body the dismissal is fair and reasonable.

8. Procedure for dismissal for some other substantial reason

**Mandatory retirement**

(a) Any dismissal on the grounds of mandatory retirement shall be authorised in accordance with the ‘College Retirement Policy for Fellows’, as set out in Regulations.
Other dismissals

(b) Where the Governing Body considers that there are grounds for dismissing a member of the Academic Staff (‘the Member Concerned’) for some substantial reason not reasonably dealt with elsewhere in this Ordinance it shall appoint a Further Dismissals Panel under paragraph [2(b)-(c)] and appoint a suitable person (‘the Presenting Officer’) to formulate the reason and its grounds, and to present it, or arrange for its presentation.

(c) The proceedings of a Further Dismissals Panel shall follow paragraph [4] (disciplinary procedures), including the power under paragraph [4(i)] to suspend the Member on full pay; save that:
   (i) in substitution for paragraph [4(q)], the Panel may only decide either to take no action, or to dismiss the Member with or without notice; and
   (ii) the disciplinary procedures shall be adjusted as necessary to reflect the nature and seriousness of the reasons and grounds adduced for dismissal, and to ensure that proceedings are just and fair in all the circumstances.

Where the Panel decides to dismiss without notice, the College shall pay compensation to the Member Concerned in lieu of proper notice.

(d) After hearing the views of the Member Concerned and the Presenting Officer, a Further Dismissals Panel may constitute itself as a Disciplinary Panel; provided always that it is satisfied that this is consistent with a just and fair process, in particular, that the charge for the disciplinary procedure is clearly specified and is fairly related to the matter before the Further Dismissals Panel.

9. Procedure for removal from a secondary appointment

(a) Further to the Academic Staff Statute, paragraphs [1(b)] and [1(d)], an Office, Post or employment may be either a primary position or a secondary position, depending on the circumstances of the individual person appointed to it. An appointment shall be secondary where he or she:
   (i) is a Fellow in Classes A-F but the appointment is not held concurrently with that Fellowship, such that dismissal from the position does not entail the loss of the Fellowship; or
   (ii) is, exceptionally, not a Fellow in Classes A-F.

(b) This procedure shall apply, subject, where relevant, to any requirements of employment law, where the Council considers that a member of the Academic Staff (‘the Member Concerned’) has failed or is failing to carry out properly the responsibilities or duties of a secondary appointment.

(c) The Council shall inform the Member Concerned, and shall give him or her a fair opportunity to make representations to the Council, whether in person or in writing.

(d) Where the Council contemplates removing the Member Concerned from the secondary appointment, it shall wherever appropriate seek to support an improvement in his or her performance through an informal process of monitoring and review, which may include the Council giving a first and/or final written warning.

(e) Where necessary, in particular where no sufficient improvement occurs within a reasonable time, the Council shall appoint an appropriate committee (which shall not be a Panel appointed under paragraph [2]) to consider the matter and make a decision.
The committee shall give the Member Concerned a fair opportunity to show why he or she should not be removed from his or her appointment.

(f) The decision of the committee shall be communicated to the Member Concerned within seven days.

(g) Where the committee decides that the Member Concerned should be removed from the appointment he or she may, within fourteen days, appeal to the Council, by giving notice in writing to the Secretary to the Council. The Council may confirm or reverse the committee’s decision, either with or without imposing any conditions, and its decision shall be final.

10. Grievance procedure

(a) If a member of the Academic Staff ('the Member Concerned') has a grievance then he or she should seek to resolve it informally through discussion with the appropriate College Officer, the Senior Independent Fellow (SIF), or some other appropriate authority in the College. If such action does not suffice to resolve the grievance, or if, in the circumstances of the case, it is not reasonable to expect another course to be followed first, the Member Concerned may refer the grievance to the President.

(b) The President shall seek to resolve the matter promptly and fairly after discussion with the Member Concerned.

(c) The President shall rule inadmissible any complaint judged:
   (i) not to concern any Office, Post, employment or other appointment of the Member Concerned; or
   (ii) not to affect the Member Concerned as an individual or his or her personal dealings or relationships with other Members or Assistant Staff of the College; or
   (iii) to be provided for expressly elsewhere in the Statutes or Ordinances, in particular, in any disciplinary or related procedures.

(d) The President may defer the consideration of a grievance pending the completion of any related proceedings under the Statutes or Ordinances.

(e) If the President considers that a complaint is trivial or vexatious he or she shall so declare and may refer the complainant to disciplinary procedures.

(f) If the Member Concerned remains aggrieved after consideration of the grievance by the President, the Member may ask that it be referred to a Grievance Panel appointed under paragraph [2(b)-(c)].

(g) A Grievance Panel shall seek to resolve the matter after conducting such enquiries and hearings as it thinks appropriate, in accordance with paragraph [2(d)-(p)].

(h) The Member concerned may, within fourteen days, appeal against any decision of the Grievance Panel, by giving notice in writing to the President. A Grievance Appeal Panel shall be appointed by the Governing Body under paragraph [2(b)-(c)]. The decision of the Grievance Appeal Panel shall be final.

11. Procedure for the removal of the President from Office

(a) On receipt of a complaint signed by any three Fellows in Classes A-F and giving their reasons, which seeks the removal of the President from Office for matters of discipline or incapacity on health grounds, the Vice-President shall inform the President and invite his or her comments in writing.
PART C  
ORDINANCE V  
ACADEMIC STAFF

(b) The Vice-President shall summon an extraordinary meeting of the Governing Body, exclusive of the President and of the complainant Fellows.

(c) After considering the complaint and any comments of the President, the Governing Body shall dismiss the complaint if it considers that there is insufficient evidence to justify removal from Office. Otherwise, it shall without delay appoint a Special Panel under paragraph [2(b)-(c)]; provided that:
   (i) no member of the Panel may be a Fellow or employee of the College;
   (ii) the Chair shall hold or have held judicial office or be a barrister or solicitor of at least ten years’ standing; and
   (iii) where the complaint is of incapacity on health grounds the Panel shall include a medically qualified person.

(d) The proceedings of a Special Panel shall follow paragraph [4] (disciplinary procedures), including the power under paragraph [4(i)] to suspend the President on full pay; save that in substitution for paragraph [4(q)], the Panel may only decide either to take no action or to remove the President from Office.

(e) The President may, within fourteen days from a decision of the Special Panel to remove him or her from Office, appeal to a Special Appeal Panel appointed under paragraph [2(b)-(c)], by giving notice in writing to the Vice-President, stating the grounds of appeal. The Appeal Panel shall be constituted in accordance with paragraph [11(c)].

(f) In the event of an appeal, the President shall be, if not already, suspended from Office on full pay, pending the decision of the Appeal Panel.

(g) If the Appeal Panel reverses the decision of the Panel to remove President from Office, then the suspension shall forthwith be lifted and the President shall be reinstated.

(h) If there is no appeal, or the Appeal Panel confirms the decision of the Panel to remove the President from Office, the final decision shall be taken by the Governing Body. The Governing Body shall normally approve the decision of the Panel, or Appeal Panel, but may remit the matter to be reheard by the same or an alternatively constituted Panel or Appeal Panel, in any case where it considers that the provisions of the Statutes or Ordinances, including this Ordinance, have not or may not have been properly applied.
PART D: College Committees

ORDINANCE I

General Provisions

Authority and roles

1. For the avoidance of doubt, Part D of these Ordinances shall not apply to the Governing Body or to the Council except where these bodies are expressly mentioned. There shall be three levels of committee: Governing Body (GB) committees, College Council (CC) committees and advisory committees.

   (a) GB committees shall be the Governance Committee, the Fellowships Committee, the Audit Committee and the Remuneration Committee (see Parts A & B);
   (b) CC committees shall be the Finance Committee, the Investments Committee, the Admissions Committee, the Estates Committee and the Bridge Committee;
   (c) the advisory committees shall be the House Committee, the Development Strategy Group, the Staff Strategy Committee and any other advisory committees established by the Council from time to time.

2. GB and CC committees shall report directly to the Governing Body or the Council respectively by the submission of minutes, and/or through the Chair, and/or by any other means required by the higher body. Advisory committees shall support the work of a College Officer who has responsibility for the relevant area of operation and spending; and shall report to the Council through the College Officer, supported by minutes or other written record.

3. GB and CC committees shall have authority to take decisions and to act on them, subject to oversight by the higher body. Advisory committees shall keep under review their respective areas of operation, and give detailed consideration to substantive items before their presentation to Council by the relevant College Officer.

Tenure of elected members

4. Tenure on committees other than the Audit Committee shall commence on the 1st September. Tenure on the Audit Committee shall commence on the 1st December. Appointments shall normally be for a period of one, two or three years, made on a rolling basis, with some members continuing and some being replaced each year. Occasionally a member may be appointed for a shorter period, to ensure an appropriate balance of continuity and change in the composition of each committee from year to year. An individual Fellow may seek, and the Governing Body may make, a reappointment for a second period of up to three years. In exceptional circumstances the Governing Body may appoint a Fellow for a third consecutive period.
5. Subject to the consent of the Governance Committee, which shall be informed in advance, any committee may exceptionally co-opt further members, who may be Fellows or Members of the College or, subject to clause [15], any other persons, for such period or such purposes as the committee shall determine. Any co-opted member may participate in the work of the committee, whether at meetings or otherwise, and shall have the right to vote at meetings.

6. The Chair of any committee may nominate persons to be in attendance, either generally for all business unless specified otherwise, or specifically for certain meetings or items of business only. Such persons shall not be members of the committee.

7. Any member of a committee who ceases to have the College status or other qualification under which he or she was appointed or co-opted shall thereupon cease to be a member unless invited to continue on terms set by the Governance Committee.

8. If a Fellow is granted leave of absence for more than one Term the Governance Committee shall nominate an alternate eligible person. The Governing Body may appoint an alternate either for the period of leave or for the remainder of the relevant period of appointment.

9. If a Fellow is absent from three consecutive meetings the Chair shall consult with the Fellow concerned and, unless he or she is satisfied that there is good cause for the absence, the Fellow shall immediately cease to be a member of the committee, and the Governance Committee shall nominate for appointment by the Governing Body an alternate eligible person to serve for the remainder of the relevant period.

Appointment

10. Fellows shall be appointed to vacancies on committees, of whatever level, by the Governing Body, normally annually in the Easter Term. The persons eligible for nomination to each committee shall be laid down by Ordinance. Normally committee members shall be GB Fellows, but where specialist expertise is required or desirable then other persons, in particular Class G or Quondam Fellows, may be appointed.

11. Nominations shall be made by the Governance Committee and circulated to members of the Governing Body in advance of an election meeting. Any individual Fellow may make (a) nomination(s) directly to the Governing Body, by two days’ notice in advance to the Chair.

12. Where an individual Fellow makes a nomination in advance, or where a member of the Governing Body requests it, the Chair of the Governing Body shall ask all the nominated candidates to withdraw from the meeting in order to permit a confidential discussion by the remaining members of the Governing Body.

13. Where the number of nominations for a committee is less than or equal to the number of vacancies, the nominated candidates shall normally be declared elected and any vacancy or vacancies shall remain unfilled; provided always that any member of the Governing Body may require an election to be held and, in such case, any candidate who receives less than
14. Where the number of nominations for a committee exceeds the number of vacancies, the Governing Body shall hold an election. The nominated persons shall withdraw from the meeting and a vote shall be taken either by a show of hands or, where a member of the Governing Body requests it, by a paper ballot.
