Overseas Students

As Overseas students, you will be liable for a College and University Composition fee, details of which are outlined on your Financial Undertaking Form.

Are you Self-Funding your Studies?

A Financial Support Form would have been sent to you shortly after we made you an offer of a place to study at Hughes Hall. Please indicate on the form if you will be self-funding your studies and return this as soon as possible, but no later than 31st July 2019.

We also require you to submit supporting financial evidence to show that you have the means available to be able to fund your course. Evidence can be in the form of a bank statement. We will contact you if we require any further evidence after you have submitted the initial documents.

Once we are happy that you have the funds in place, we will notify the College's Finance Office who will then issue you with a 'Request for Pre-Payment'. Please see section on tuition and accommodation payments for further details.

Have you Secured A Scholarship to Cover Your Fees?

If you have secured another means of funding to cover your tuition and/or College fee such as a scholarship, we will need to see a copy of your award/funding letter which shows the following details:

- Your name
- Your course
- What the scholarship covers
- The duration of the award

Please could you send any of the above relevant documents to student.finance@hughes.cam.ac.uk no later than 31st July 2019.

Tuition and Accommodation Payments

Tuition Fees

If you are self-funding your tuition fees, once we are happy that you have provided sufficient evidence that proves you have the funds available for at least the first year of your studies, we will notify the Finance Office.

The Finance Office will then send you a 'Request for Pre-Payment' and we will require you to settle your tuition fees prior to your arrival at Cambridge.

Please only make payment when you have been notified of your successful visa application.

To be able to matriculate, you will need to pre-pay your fees and attend registration day. You will be issued with your actual fees invoice in Michaelmas Term for your reference. For more information, please see the Fees and Charges section of the College website; <https://www.hughes.cam.ac.uk/study-with-us/fees-charges/>

Accommodation Payment

Accommodation is billed on a termly basis, unlike tuition fees which are billed annually.

You will be issued an invoice in early October which will also include a Kitchen Fixed Charge and Caution Money.

Payment for accommodation should be made within 14 days of receipt of the invoice. These payment terms also apply to Lent and Easter.

Payment of College Invoices

Payment can be made by bank transfer (the College bank details will be listed on the 'Request for Payment or Invoice'.
