

HUGHES HALL BOAT CLUB ALUMNI

THE JOURNAL - LENT TERM 2020

LENT BUMPS

Simply a massive **CONGRATULATIONS** is due the entire Hughes Hall Boat Club as each member of the squad contributed to a Lent Term that was crackers!! Well Done M2 & W2 crews in the Getting on Race; Well done W1 for rowing strongly every stroke; Well Done M2 for the stamina shown in Getting On, then rowing 7 races as sandwich boat, and finally going up 3 stations to win a spot in a higher Division. And especially Well Done to M1 going up 6 stations, achieving a massive over-bump and winning proper Super Blades!! A great Term for a great Club!

THANK YOU!!!!!!!

As a reminder, College will match any donations made to HHBCA through the end of this Rowing Year (i.e., last day of Henley 2020.) So please consider making a donation! (Go to: www.hughes.cam.ac.uk and under 'Alumni and Development' click on 'Make a Gift' and then click on the HHBCA Emblem.)

PHOTOS

Boatie alumnus John Butler ('79) has sent in some wonderful photos of the 1979/80 HHBC Crews - considered the first year Hughes boated crews in the Bumps. Thanks John!!

PAST CREWS

Several volunteers have begun a research project in an attempt to publish a listing of all the crews which have competed for HHBC in either the Lents or the Mays since what is believed to be the very first HHBC Bumps Campaign in 1979/80.

Since oftentimes the names of the rowers listed in a Bumps Program are different from the actual names of the rowers competing, there is an attempt to publish both on the Master List. It's quite a project going back 40 years but there has been some remarkable headway made. We'd sure appreciate any crew information you Boatie Alumni can provide - please send to: hhbca@hughes.cam.ac.uk

(In our first Journal last Term we mentioned there would be an article published here on the Lucy/Hughes merger/split - but that will have to wait a bit.)

MAY BUMPS

It's a VERY exciting time for HHBC as this coming May Bumps could result in the first time ever a HHBC crew makes it into the First Division. The HHBC M1 will start at Station 2 in the Second Division and will need to Bump up at least twice to earn this honour. So we hope to see as many of you as possible cheering on the towpath come June! BTW - the women's program has grown mightily after the split from Lucy and will likely boat two crews in the Mays!

WHOSE HALL? HUGHES HALL!!
