HUGHES HALL

UNIVERSITY OF CAMBRIDGE

Accommodation Look Book 2026

Introduction

This Look Book was created to help incoming and continuing students in their accommodation application process. It provides students with a better idea of what their accommodation space would roughly look like, from their bedrooms and bathrooms, to their cooking and dining facilities.

The Look Book only provides samples of the types of College accommodation available and does not guarantee that the room which will be allocated to students will be exactly as pictured. For more information, please visit our accommodation page on the Hughes Hall website.
